About the Annual School Report

St Pius X High School is registered by NESAs as a member of the Catholic system in the Diocese of Maitland - Newcastle.

The Annual School Report provides parents and the wider community with fair, accurate and objective information about various aspects of school performance and development. The Report describes achievement of school development in 2017 and gives information about 2018 priorities.

This Report is a legislative requirement under the Schools Assistance Act, 2008.

The information in this Report is complemented by the Catholic Schools Office website and school websites where other publications and newsletters can be viewed or obtained.

Messages from Key School Bodies

Principal's Message

The community of St Pius seeks to provide an education grounded in the Gospel values of love, justice and truth. The School aims for excellence in all areas, providing a range of opportunities to enable all students to experience success.

Through the implementation of our Pastoral Care system we endeavour to make our school specifically Catholic in philosophy and practice and to foster community through student, parent, staff and parish involvement. The school's Care Classes and House System ensure that students experience high quality pastoral care and that parents are genuine partners in their children's education. The school has a strong school spirit. Our students love their school.

The school has a high standard in all educational areas and makes special provision both for gifted and talented students as well as for students with learning difficulties. As well as the Religious Studies program, we have daily student prayer, whole school Liturgies to celebrate special occasions, Parish and Care Class Masses, staff prayer & retreats, community days for Years 7, 8 and 9 and a three day retreat for Year 10. All of these events aim to meet the spiritual needs of staff and students.

In 2017, St Pius X HS had a student population of 1044 in Years 7 to 10, 74 teachers and 31 Support Staff.

Mr Robert Emery

MEdLead BSc(Hons) DipEd DipRE MACEL

Parent Body

St Pius X High School has an active P&F. Meetings are held every second Tuesday of the month. All parents and friends are welcome to attend. The P&F provides parents with a forum in which they can raise questions, discuss issues pertinent to the school, make comment and offer suggestions on policy and procedures. The P&F prides itself on its ability to raise much needed funds for the school. Much of these funds are raised through the extremely successful and well-run School Dances held four times through the year. Other activities vary from year to year. In 2017 a P&F School Infrastructure Levy was introduced to fast-track the provision of a COLA over the basketball courts and a resurfacing of the courts themselves.

Mr Alan Bond

P&F President 2017

Student Body

Students have a very strong school spirit and enjoy their time here at St Pius. Students appreciate and respect the safe and inclusive environment the school provides. Students highly value the great school dances, good choice of electives, teacher personalities and supports offered, many opportunities for student leadership, the extensive sporting opportunities and equipment, canteen food and music and drama performances. Excursions, overseas immersion visits and the Yr.9 Snow Trip are also valuable experiences that are greatly appreciated.

SCHOOL FEATURES

History of the school

On January 27 1959, St Pius X College, staffed by Diocesan Priests, commenced at Tighes Hill. In 1960, the then Bishop of Maitland, Bishop Toohey, exercised tremendous courage and vision in acquiring the old Lustre Hosiery Factory in Adamstown and converting the existing building into a school. The School opened at this new site on 5 December 1960. The official opening of the College and the blessing of the new building was performed by Bishop Toohey on Sunday, 19 March 1961. In that year the school badge was also adopted, incorporating the Coat of Arms and Crest of St Pius X.

If you would like to read a more extensive history of the school please visit the History page of our website:

Location/Drawing Area

St Pius X is located in Park Avenue, Adamstown and draws pupils from the local Catholic primary schools including St Therese's Primary School, New Lambton, St John's Primary School, Lambton, St Patrick's Primary School, Wallsend, St James' Primary School, Kotara South, St Columba's Primary School, Adamstown, Holy Family Primary School, Merewether Beach, St Joseph's Primary School, Merewether and Our Lady of Victories Primary School, Shortland. On completion of Year 10, our students move on to St Francis Xavier's College at Hamilton for Years 11 & 12. Together, all of the schools mentioned here form the Central Cluster of the Maitland-Newcastle Diocese.

Catholic Identity and Mission

Catholic Imagination and Spirituality

During the year students and staff experienced many beautiful Liturgies celebrating significant school and Church events. Mass was said each fortnight for a couple of Care Groups on a roster basis. Prayer was said every day in Care Group or period 1, at assemblies, House Meetings and at all staff briefings and meetings.

We held Parish Mass at St Pius in our beautiful Sr Marie Centre every second Wednesday morning.

Students from Year 10 were involved in immersion experiences to Thailand, the highlight of which was their social justice work for parishes and/or villages.

There were Community days for Years 7, 8 and 9 and a three-day Retreat and special Graduation Liturgy for Year 10.

Family, Parish and Diocesan evangelising and catechesis

Students from St Pius X are involved in each of their Parish churches as readers, altar servers and in youth groups.

We are involved each year in the celebration of Catholic Schools Week and also in Diocesan events such as the Called to Serve Mass, the Special Needs Mass and the Way of the Cross on Palm Sunday & a Parish Art Competition.

St Pius X has a very active St Vincent de Paul junior group within the school. Run by members of the teaching Staff, the group meets regularly and involves the members in a number of activities including visits to local aged-care facilities, food collections for the needy (including Christmas Hampers) and raising funds through activities such as out-of-uniform days, cake stalls and sausage sizzles to assist students within the diocese who need assistance.

Every year the Principal meets with the Bishop, Director of Schools and priests to discuss matters relevant to the operation of the school and its support for the Church in the wider community.

Contact with the Parish Priests is via involvement in school Liturgies and via committees such as the Enrolment Committee. Many staff are Special Ministers, readers and commentators in their local Parishes.

Christian Discipleship

Every Wednesday morning, staff members meet for prayer. They take turns and great care to prepare the material. Post-graduate study in theology and education is both encouraged and subsidised at CSO level, such as MA at ACU, BBI/SCD. Several staff are completing Graduate Certificates & Masters Degrees in various aspects of Religious Studies.

The Catholicity of the school has been nurtured through liturgical celebrations and other forms of worship. There is Mass each fortnight for students on a roster basis. There are liturgies to celebrate welcoming staff and Year 7 and their parents, Commissioning of Student Leaders, Ash Wednesday and Holy Week Liturgies, Anzac Day Liturgy, Vinnies' Day Fashion Parade, St Pius X Day Celebration, Year 10 Graduation and Presentation Day Ceremonies (Years 7-9).

There were Community days for Years 7, 8 and 9 and a three-day Retreat and special Graduation Liturgy for Year 10.

A Spirituality Day was held for staff.

Religious Education and Curriculum

The Religious Education at St Pius X High School promotes an understanding of Catholic beliefs and practices and incorporates content with the same academic demands as other subjects taught within the school.

The teaching of Religion aims to:

- Encourage students to find meaning and excitement in learning about the teaching of Christ
- Assist students to articulate Christian values and the teachings of the Catholic Church
- Encourage students to be active members of their local Catholic Community
- Encourage students to integrate Gospel values into their daily life.

The Religion Program is underpinned by four strands: Jesus and Scripture, History and Belief, Celebration and Prayer and Justice and Morality.

St Pius students received excellent results in both the Year 8 & Year 10 Diocesan Religious Literacy Tests. In 2017 our school was the overall highest performing school in the Diocese in these tests.

Initiatives Promoting Respect and Responsibility

Student respect and responsibility is promoted as a natural part of the ethos of the school. The School Pastoral Care program, Religious Studies lessons, social justice initiatives, Community Day programs, Retreats and Reflection Days, Assemblies and Year Meetings are all used to promote strong Christian values amongst the students. The school more than meets the requirements of the Australian Government's Values for Schools policy.

Social justice is given a high priority at St Pius. Each year, student leaders travel to Sydney to attend the "Just Leadership Day" run by Caritas global education officers. They return inspired to embark on the annual "Project Compassion" appeal on Ash Wednesday. In 2017 students attended an immersion experience to Thailand. These students were actively involved in building projects for parishes and villages.

A number of out-of-uniform days have been organised and the money raised was given to local charities. As mentioned previously, our St Vincent de Paul group is very active in social justice.

Enrolment policy

St Pius X High School follows the guidelines provided by the Catholic Schools Office *Enrolment Policy 2013*. This Enrolment Policy has been devised in order to accommodate the needs of families seeking a Catholic education. It aims to set direction for school procedures and practices for enrolling students into Catholic Primary and Secondary Schools within the Diocese of Maitland-Newcastle and to establish a common, consistent approach in enrolment practices and assist the system of Catholic schools to provide schooling, where possible, for all Catholic children who seek enrolment, cater for the individual needs of each child equitably within the constraints of the available teaching and material resources and to encourage parents enrolling their children in Catholic schools to give support to parish and school life, especially in education in faith.

Copies of the Policy are available from the school, or from the Catholic Schools Office website. Parents concerned about school fees should ensure they make contact with the school. Diocesan provisions (including standard discounts for those with a Health Card) exist to help in this area, and the Principal can also exercise discretion where genuine need exists.

Managing Student Non-attendance

Regular attendance at school is essential if students are to maximise their potential. Schools, in partnership with parents and guardians, are responsible for promoting the regular attendance of students. The compulsory years of schooling is age 6 to 17. Principals and school staff, in consultation with students and their parents, will usually be able to resolve issues relating to non-attendance. While parents should be reminded of their legal obligations under the Education Act, (1990), the welfare of the student must be the focus of this consultation. The most effective means of restoring and maintaining regular school attendance includes sound attendance monitoring practices and regular follow-up of unexplained absences by contacting parents promptly. Resolution of attendance difficulties may require a range of additional school based strategies including student and parent interviews, reviewing the appropriateness of the student's educational program, development of a school-based attendance improvement plan, referral to the school counsellor or outside agencies and support from school - based personnel. If a range of school-based interventions has been unsuccessful, support may be requested by referring individual cases of unsatisfactory attendance to the Catholic Schools Office.

Pastoral Care and Wellbeing

Student Welfare Policy

At St Pius X High School the Pastoral Care (Student Welfare) Policy clearly defines student rights and responsibilities. The full text of the policy can be read on our website Policies page.

The school provides an extensive structure to support students. The structure is designed to provide support of all individuals within the school community.

This process is achieved via a House structure with a Student Coordinator in charge of each House and students within each Year being subdivided into Care Groups with a teacher responsible for each group.

To encourage harmonious relationships within the school, we have developed a range of student based activities such as peer support programs, anti-bullying programs, "Get Organised" and a range of student centred activities based on the premise of 'care for one another within a caring community'.

St Pius X High School aims for excellence in all areas, providing opportunities for our students to achieve success. We have an extensive student reward system.

During 2017 our Pastoral Care Policy was updated to bring it into line with changes in the Catholic Schools Office Policy in this area.

Discipline Policy

The school has developed an extensive policy related to student discipline in compliance with the Catholic Schools Office Wellbeing and Pastoral Care Policy 2017. The school's Discipline Policy is implemented in conjunction with the Restorative Justice Policy. The Discipline Policy provides clear guidelines for procedural fairness that provide support to students and parents in matters of disciplinary action.

The Discipline Policy has been designed to provide positive re-enforcement of acceptable practices within the school community. It also places considerable emphasis on positive reinforcement of appropriate behaviour via the use of the Award system. The full text of the Discipline Policy can be read on the Policies page of our website.

Discipline procedures are identified for minor and major misbehaviour. These procedures include playground clean up, lunch detention, after school detention, student review panel and internal or external suspension. During 2017 our Discipline Policy was updated to bring it into line with Catholic Schools Office Wellbeing and Pastoral Care Policy 2017.

The full text of the College's Student Discipline Policy may be accessed on the College's website or at the administration office.

Anti-Bullying Policy

Catholic schools have the responsibility to promote cultures of trust, cooperation and respect in the lived experience of the Catholic Christian setting. Bullying in a school mitigates such a culture and inhibits the development of positive relational outcomes for the common good of students, teachers and caregivers. *St Pius X High School Anti-Bullying Policy* is reviewed regularly and is available on the school website.

St Pius has a pro-active anti-bullying program run as part of our Wellbeing Program. This is evaluated and updated on a regular basis. Our Anti-Bullying policy can be viewed on the Policies page of our school website.

Complaints and Grievances

The school has formal written protocols in place to address complaints and grievances. These protocols are in line with the Complaints and Grievances Resolution Policy (2013), developed to provide a consistent approach for all Diocesan schools. This policy aims to address the concerns of Parents / Carers and the wider community. These concerns may include children's learning, behaviour and welfare, school organisation and management, student health and safety issues.

A copy of this policy and the informative parent brochure is available from the school office, school website or is available on the Catholic Schools Office website.

Special Provisions

St Pius has in place policy and procedures covering special provisions examinations. The Learning Support Team is responsible for managing student access to special provisions and all aspects of special provisions examinations. All students and parents are alerted to the opportunity to apply for special provisions via meetings and written communication.

School Improvement

School Improvement Plan

Our School Improvement Plan (SIP 2017) had the following major priorities:

- Domain 1 - Catholic Formation & Mission - Renewal of Community Day & Retreat programs, Social Justice Awareness, Research on charisms
- Domain 2 - Learning - Use of data to improve student learning, focus on gifted education, implementation of PP& D (Professional Practice & Development) Program for improving teaching.
- Domain 3 - Leadership - Student & Staff leadership
- Domain 4 - Service & Governance - Promotion of student & staff wellbeing; Creation of high quality, contemporary teaching & learning spaces & school site; Compliance with all WHS & Governance legislation.

School Academic Priorities

Key improvements achieved this year	Key improvements for next year
<p>For Teachers & Students: Gifted students were identified by CoGAT testing. PD in Gifted Education occurred for all staff. Initial steps towards specific differentiation for each individual gifted child.</p> <p>For Teachers: Professional Practice & Development (PP&D) program began and is well under way. This aims to ensure continuous improvement in teaching & learning.</p>	<p>Catholic Identity:</p> <p>Focus on developing our care for our environment & further research into charisms.</p>
<p>In 2017 there was a clear focus on improving teacher understanding and use of the Quality Teaching Framework (QTF) for preparing & evaluating pedagogy. QTF pods were run where teachers from different Faculties took part in lesson observation and coding and in discussion of this. These worked really well and had a positive effect on teacher performance. At the same time there was a focus on Faculties further developing themselves as Professional Learning Teams (PLTs).</p>	<p>Quality Learning & Teaching:</p> <p>Continue with the Implementation of the Professional Practice & Development Framework</p> <p>Further improve our practice in Gifted Education</p> <p>Develop teachers in their use of data to assist with student learning.</p>
<p>Another very successful focus for the year was in the area of wellbeing. The Mind Matters Program continued across the school. Lesson material was presented in a number of Long Care Group sessions throughout the year. Special guest speakers were utilised at various times. A Staff Wellbeing day was run. The implementation of the program was evaluated at the end of the year. This provided clear evidence that the program was being successful in helping to improve student & staff wellbeing. It also provided relevant feedback which helped enhance planning for the program for 2018.</p>	<p>Review & revamp of student leadership within the school.</p>

Academic Achievements

St Pius again performed very well in the following:

NAPLAN

Diocesan Religious Literacy Tests - Yr8 & 10

Mock Trial, Debating, University-run Exams – English Writing Competition, Australian Mathematics Competition for the Westpac Awards, Mathematics International Competition and Assessment for Schools, International Competitions and Assessment for Schools Science Competition, Chemistry Quiz and the University of Newcastle Science and Engineering Challenge.

Seven students from Year 10 2017 were awarded Diocesan RoSA Awards for gaining 6 or 7 Grade As in their RoSA.

Cultural achievements

Students at St Pius experienced performances in music and drama by visiting performers, attended excursions and produced their own performances and art works. St Pius performed extremely well in Dio Sounds, the Diocesan celebration of musical talent. Many St Pius students were also involved in the Diocesan ASPIRE production held at the Civic Theatre.

Planning commenced for our 2018 School Musical "The Little Mermaid" under the direction of ex-student Tom Rodgers, currently a Year 12 student at St Francis Xavier's College, Hamilton.

Sporting achievements

In 2017 St Pius participated at a representative level in the following sports: athletics, basketball, cheerleading, cross-country, diving, golf, hockey, rugby league, rugby union, soccer, softball, surfing, ten-pin bowling, touch and water polo. St Pius has a great reputation in representative sport across the board. We celebrate many sporting successes each year.

Student Achievements

Performance in National Testing

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. NAPLAN assessment results provide valuable information about student achievements in literacy and numeracy. An analysis of these results assists College planning and is used to support teaching and learning programs.

The tables below show the percentages of students who achieved particular skill bands in numeracy and the aspects of literacy. The College results shown are compared to students nationally. Literacy is reported in four content strands (aspects): Reading, Writing, Spelling, Grammar and Punctuation. Numeracy is reported as a single content strand.

NAPLAN RESULTS 2017		% of students in the top 3 bands		% of students in the bottom 2 bands	
		School	Australia	School	Australia
Year 7	Reading	79.84%	57.80%	2.82%	16.20%

Parent, Student and Teacher Satisfaction

The opinions and ideas of parents, students and staff are valued and sought. Their suggestions are incorporated into planning for and achieving improved outcomes for students. This year, the College has used a variety of processes to gain information about the level of satisfaction with the College from parents, students and staff.

Parent Satisfaction

Surveys conducted during our 2017 COSI (Continuum Of School Improvement) Self-Review, clearly indicate a very high level of parent satisfaction with the school.

Student Satisfaction

There is a very high level of student satisfaction with the school as exemplified by the high level of school spirit and student participation in all aspects of school life. The message from the School Captains earlier in this report is further evidence of high student satisfaction with the school.

Staff Satisfaction

There is a very high level of staff satisfaction with the school as exemplified by the high level of dedication and enthusiasm that staff bring to their vocations. The school has procedures in place to enable staff who are not satisfied with aspects of school life to bring this to the attention of the appropriate person or people.
