Messages from Key School Bodies

Principal's Message

St John the Baptist Primary School is prominent in the local community and offers a sound Catholic education for the 250 students who are enrolled.

We have a strong Catholic identity and an atmosphere of warmth and care pervades our school community. Our parent body is an enthusiastic and vibrant group that works together in many class and whole school endeavours to assist in the education of their children and foster community spirit.

We celebrate our Dominican heritage and recognise the contribution made by the Sisters to the history of St John's.

2017 was a year of professional growth for the teachers and academic success for our students. We were a Pilot School for the Diocesan Gifted and Enrichment Program. Teachers were involved in intensive Professional Development which was followed by a change in practice and classrooms were reflective of new innovations. Enrichment programs in Maths, English and Science were evidenced in our participation in school based activities such as a school blog and newspaper as well as in community and nationwide competitions. These included a National Poster Competition and a Film Competition.

Children, parents and staff are immensely proud of their school and all our achievements. This Annual School Report will give you insight in to St John the Baptist Maitland.

Parent Body

The Parents and Friends Committee of St John the Baptist Primary enthusiastically supports the teaching environment in which our children are educated and nurtured. As a committee we discuss and comment on the events and happenings within the school at monthly meetings. This forum for discussion provides valuable feedback for both staff and parents. The committee continues to assist with specific funding for tactical items within the school community. In 2017 the parent body assisted with the purchase of a set of IPADS to be used in the classrooms to support Information Technology and our Enrichment programs. We also provided help with the maintenance of good quality literature in our school library.

Thankyou to the families of St John's for their ongoing support of the P&F committee and in supporting the staff in the school as they educate our children.

SCHOOL FEATURES

History of the school

St. John's history began on April 7, 1856, when the foundation stone for the school was laid. The school was initially staffed by two Patrician Brothers who were followed by 2 lay teachers. In 1866 the N.S.W. Colonial Government proclaimed a Public School Act and issued a certificate to St. John's School accrediting it as a "Denominational School" under the Act. The Dominican Sisters began their role at the school on 16th September 1867. St John the Baptist still holds close ties with the Dominican Sisters.

Over the years many additions have been made to the buildings and structure of the school. In 2010 the school underwent major renovations and additions to facilities. The new works included construction of 5 new classrooms, a multi-purpose hall, administration block, library and computer suite, canteen and car-park. The playground was redesigned with work done to create 2 football/soccer fields, lunch pergolas and tables and a concreted courtyard with artwork games.

Location/Drawing Area

St John the Baptist is located in Victoria St which is close to Maitland CBD. It is bordered by Victoria and Lee Streets and is adjacent to St Mary's High School. Our student population comprises students who live in various suburbs and towns surrounding Maitland including Bolwarra, Largs, Gillieston Heights, Wallalong and East Maitland. The school is located in and part of the Chisholm Region of schools in the Diocese of Maitland-Newcastle. Our students continue on to their secondary education at St Peter's High School.

Catholic Identity and Mission

Catholic Imagination and Spirituality

St John's promotes a very obvious Catholic Identity in numerous ways:

- * Morning Assemblies commence with our School Prayer and one traditional prayer each term
- * School foyer has symbols and icons of our Catholic identity and a large format sign our School Prayer is displayed in the school courtyard
- * Whole school, class and stage-based celebrations of Mass
- * Celebration of liturgies with parents for Catholic Schools Week, Holy Week, Easter, Mother's and Father's Day
- * Celebration of the Sacrament of Reconciliation for our senior classes
- * End of Year School Awards including Christian Living, Exemplary School Spirit and Service to the Community Awards.
- * Prayer opportunities for the children occur throughout the day and in recognising the needs of individuals we made time to pray for the special needs of family members, injured or suffering acute illness.

Family, Parish and Diocesan evangelising and catechesis

The school actively participates in the life of the parish through:

- Regular contact with our priests
- Communication and collaboration with the Regional Youth Coordinator (ACTiv8).
- Contributions to the publication - Chisholm Connection
- Parish-based Sacramental Programmes.
- Close collaborative relationships with schools in the Chisholm Region and in particular, a close working relationship with our secondary schools St Peter's and St Mary's
- Supporting parish and diocesan initiatives by our presence at events and functions - for example, the Blessing and Re-opening of St John's Chapel (the original cathedral) in Maitland.

The school's involvement with the Diocese includes:

- Contact with diocesan groups, e.g. Centacare, Catholic Mission office
- Participation in Project Compassion - Caritas Australia and Catholic Missions.
- Contributions to the Diocesan newspaper Aurora
- Attendance at Called To Serve Mass and the Diocesan launch of Project Compassion, Diocesan Mission Mass and celebrations for Catholic Schools Week.

Christian Discipleship

Staff meetings begin with a call to prayer. A variety of formats is adopted including formal collective prayers, video footage for reflections and opportunities for personal responses. This served as a reminder that we have a vocation in giving witness to gospel values.

In 2017 the whole staff took part in a Spirituality Day which provided staff with a chance to have some quality time together away from the hustle and bustle of school life.

Students had opportunities to put their faith into action through participation in raising funds for Project Compassion, Catholic Mission, Vinnies Winter Appeal and Rainbow Day.

Our Minnie Vinnies Conference continued in 2017 with students from Years 5 & 6 .Our Year 6 students visited Benhome Aged Care Facility each term as part of our pastoral outreach. These events bear witness to one of our Mission Statements 'to embrace lifelong learning and make meaningful contributions to society'.

Religious Education and Curriculum

The teaching of Religion at St John the Baptist occurs via the implementation of the mandatory Diocesan K – 12 Religion Syllabus and Support Units in all classes throughout the school. New units were trialled by Early Stage 1, Stage 1 and Stage 2 classes. Newer units and support documents relevant to each class were made available to all teachers. New resources included outstanding new Bibles for Years 5 & 6, extra bibles for Years 3 & 4 as well as several Teacher Resource books. This year classes displayed their learning in R.E. at school assemblies and through participation in liturgies during Lent, Holy Week and Advent, which served to highlight special days and the Church seasons. Our separate liturgies for the days leading up to Easter were a highlight. Our end-of-year Awards Night also promoted the importance of our school's emphasis on Living the Gospel with the presentation of three key Awards: Christian Living, Exemplary School Spirit and Service to the Community Awards. In all classrooms a sacred space that reflects the colour for the current liturgical season and various religious symbols are featured.

Initiatives Promoting Respect and Responsibility

During 2017 our school community undertook a range of Social Justice initiatives which included contributing to Caritas, Catholic Mission and St Vincent de Paul. Our Year 5 and 6 classes formed a local conference of Minnie Vinnies. This group focussed on raising awareness of issues that have impacted our school community (playground tidiness, food waste,) as well as community issues (Vinnies Winter Appeal for clothing and blankets). Each term our Year 6 students took responsibility for planning and presenting activities for their visits to the elderly residents at Benhome Aged Care Facility.

2016 saw the introduction of the *Young Leaders Program* for our Stage 3 students. This sits alongside our "You Can Do It" Programme, a program that focuses on building social, emotional and motivational capacity of our students. This has assisted our students to take responsibility for their own choices and actions.

Enrolment policy

St John the Baptist Primary School follows the guidelines provided by the Catholic Schools Office *Enrolment Policy 2013*. This Enrolment Policy has been devised in order to accommodate the needs of families seeking a Catholic education. It aims to set direction for school procedures and practices for enrolling students into Catholic Primary and Secondary Schools within the Diocese of Maitland-Newcastle and to establish a common, consistent approach in enrolment practices and assist the system of Catholic schools to provide schooling, where possible, for all Catholic children who seek enrolment, cater for the individual needs of each child equitably within the constraints of the available teaching and material resources and to encourage parents enrolling their children in Catholic schools to give support to parish and school life, especially in education in faith.

Copies of the Policy are available from the school, or from the Catholic Schools Office website. Parents concerned about school fees should ensure they make contact with the school. Diocesan provisions (including standard discounts for those with a Health Card) exist to help in this area, and the Principal can also exercise discretion where genuine need exists.

Managing Student Non-attendance

Regular attendance at school is essential if students are to maximise their potential. Schools, in partnership with parents and guardians, are responsible for promoting the regular attendance of students. The compulsory years of schooling is age 6 to 17. Principals and school staff, in consultation with students and their parents, will usually be able to resolve issues relating to non-attendance. While parents should be reminded of their legal obligations under the Education Act, (1990), the welfare of the student must be the focus of this consultation. The most effective means of restoring and maintaining regular school attendance includes sound attendance monitoring practices and regular follow-up of unexplained absences by contacting parents promptly. Resolution of attendance difficulties may require a range of additional school based strategies including student and parent interviews, reviewing the appropriateness of the student's educational program, development of a school-based attendance improvement plan, referral to the school counsellor or outside agencies and support from school - based personnel. If a range of school-based interventions has been unsuccessful, support may be requested by referring individual cases of unsatisfactory attendance to the Catholic Schools Office.

Pastoral Care and Wellbeing

Student Welfare Policy

During 2017 Kindergarten and Year 6 students participated in the Better Buddies Program, established by the Alannah and Madeline Foundation. This program promotes caring for others, friendliness, respect, valuing difference, including others and responsibility. Each Kindergarten student was assigned a Year 6 buddy who assisted them especially in the first few weeks of school. Some of the bonds forged between Kindergarten and Year 6 children were very close. This was exemplified by our Year 6 students writing to their 'old' buddies (now in Year 12) to wish them success in the H.S.C.

We also acknowledge the achievements of our students in all areas of curriculum and the living of Christian values through awards which are distributed at weekly assemblies.

A copy of the policies that come under the Student Welfare Policy is available from the school office on request. The policy incorporates our Discipline Policy, which was reviewed during 2014.

Discipline Policy

Pastoral care guides our school's approach to discipline. Reward is given for following school rules and making extra efforts in positive areas, while for occasions when rules are broken, consequences are accepted. The emphasis is on recognising, encouraging, and rewarding children who choose to behave appropriately. Good student behaviour is very much the norm at St John the Baptist and new students soon realise this and meet expectations willingly.

Strategies learned in behaviour management in-servicing i.e. Stop Think, Do and 1-2-3 Magic were in place successfully throughout the year.

A copy of our Discipline Policy is available from the school office on request.

All classrooms display a set of rules or code of conduct. Supplementing this is the Classroom Behaviour Management Plan

The full text of the School's Student Discipline Policy may be accessed on the School's website or at the administration office.

Anti-Bullying Policy

Catholic schools have the responsibility to promote cultures of trust, cooperation and respect in the lived experience of the Catholic Christian setting. Bullying in a school mitigates such a culture and inhibits the development of positive relational outcomes for the common good of students, teachers and caregivers. *St John the Baptist Primary School Anti-Bullying Policy* is reviewed regularly and is available on the school website.

Complaints and Grievances

The school has formal written protocols in place to address complaints and grievances. These protocols are in line with the Complaints and Grievances Resolution Policy (2013), developed to provide a consistent approach for all Diocesan schools. This policy aims to address the concerns of Parents / Carers and the wider community. These concerns may include children's learning, behaviour and welfare, school organisation and management, student health and safety issues.

A copy of this policy and the informative parent brochure is available from the school office, school website or is available on the Catholic Schools Office website.
