

YOUNG ACTORS PROGRAM STAGE 4 & 5 DESIGN CREW

An initiative of Catholic Schools, Diocese of Maitland-Newcastle, Aspire provides a range of opportunities for students with a passion for the Creative and Performing arts across all art forms. The Young Actors Program is an audition based program focused on inspiring creativity in and encouraging young people to create original work. Students work with Aspire Drama tutors to write an original script, rehearse and then perform in a professional theatre setting.

As a new initiative, we are putting together a design team to work alongside the actors to help create costumes, props and set pieces. We are seeking students, from Year 7 to 10, with a genuine interest in visual arts, design and theatre elements. In just seven weeks, students will put together everything needed for the performance. They will learn about costume design and construction, prop design and construction, and set design. It will be fast-paced; students will be expected to attend every rehearsal.
